

3 STRATEGIES

Choose Your Strategy

It's always up to you! Here are 3 ways for you to influence another person with your communication. Each has it's pros and cons. Each has a long history of it being perfected as a social influence strategy.

ME VS OTHER

DOMINATION

WIN

LOSE

When people impose a debate only on what is right, wrong for them, or using power plays where winning or losing matters most.

ME VS OTHER

MANIPULATION

MANIPULATE

EXCLUDE

When people appeal to each others' emotions without taking the time to clarify their intentions.

ME VS OTHER

CONSCIOUS

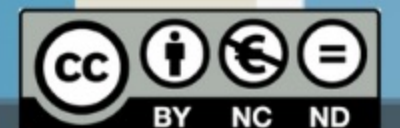

INFLUENCE

EFFORT

When people respectfully make an effort to adapt to the other person by building trust before suggesting an action.
